Practical information

- **Ask questions while you remember them** – just raise your hand or write on Teams.
- **Take breaks** during the builder sessions – drink plenty of water, Monster and coffee.
- **You will get ALL slides**, demos, case material etc. https://github.com/twoday-ai/hackathon-agentic-engineering-20261109
- If you have questions after the hackathon, **you're always welcome to reach out**.
